REPORT OF GILFORD PUBLIC LIBRARY

To the Citizens of Gilford:

The undersigned trustees of Gilford Public Library respectfully submit the following reports for the year ending February 7, 1938.

In March we met and organized as follows, Chairman, Helen D. Watson, Secretary, Teresa M. Weeks, Treasurer, Burt Ames.

We were grateful for a little larger appropriation this year as our expenses were heavier, due largely to our insurance for three years, amounting to \$88.00.

This coming year the trustees hope to have the library painted on the outside.

We were fortunate in having so many books donated this year and wish to thank all who contributed.

Our much needed cupboards in the basement are being built and this will take care of the many books now stored openly in the basement.

You will notice a balance of \$57.16 in the treasurer's report, but the cost of material and labor on the cupboard is to be deducted from that, also several outstanding bills.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilford:

I herewith respectfully submit my eighteenth annual report as superintendent of Gilford schools.

RECORDS

The following table makes easy a comparison of certain records for the last school year which ended June 30, 1937, with those of the previous year:

	1935-36	1936-37
Number of schools	3	3
Total enrollment	77	72
Boys	41	40
Girls	36	32
Average membership	66	66
Per cent of attendance	93	95
Tardinesses	29	39
Visits by Superintendent	61	55
Number of local children enrolled in Laconia schools:		
Elementary	41	47
High	42	32
Expenditures, all purposes	\$10,628.12	\$11,368.81

Our attendance during the last school year was very satisfactory. There were no epidemics to interfere. We cannot expect a per cent of attendance higher than ninety-five. But one pupil, however, had a perfect record. Lois Gordon of the Intervale School was neither absent nor tardy during the year.

REPORT OF SCHOOL NURSE

To the Townspeople, School Board, and Superintendent of Schools:

Gilford has been very free from contagious diseases during the past year and the children seem to be in good general health. Scalp and skin infections are well cleared up at this time.

Several children with bad vision have had glasses fitted and are doing much better school work with less damage to the weakened eyes. There are a few with very defective vision who are still handicapped in their school work for lack of glasses and show an increasing loss of vision each year as measured by the official Snellen Tests.

Several children have had tonsils attended to this year, but about a dozen children yet show signs of bad throats and need attention. Very few Gilford children have had any dental work done. This seems to be the greatest need of our school children. If enough public interest is shown in this work to make it possible to organize a committee to sponsor a dental clinic for school children, this service could be made available at very short notice and would be very beneficial to the children. Experience has demonstrated that it is not practical to attempt dental clinic work without a sponsor.

One child with a very serious ear infection of a chronic nature was successfully treated by local doctors and is able to attend school this year regularly for the first time since entering.

Following will be found a statistical report of the work done in the Gilford schools last year:

Visits to schools	20
Visits to homes	68
Total visits	88
Days spent	9

Pupils examined	67
Defects found	69
1.0 per pupil	
Defects corrected	13
18% of defects	
Without defect	27
40% of pupils	

I wish at this time to thank teachers, parents, and townspeople who have shown their interest and cooperation in the school health work during the year.

Respectfully submitted,

RUTH S. LANGILLE, R. N.

School Nurse.

CLOSING EXERCISES

The school year was brought to a close on the evening of June 18, 1937, with the presentation of a suitable program by the children from all the schools. This was an occasion of pleasure and rejoicing for parents and friends as well as for the pupils and their teachers. Our only eighth grade graduate at that time was Blanche Elizabeth Bickford of the Intervale School, who was presented her certificate of graduation by the Superintendent of Schools.

TEACHERS

There have been no changes in our teaching force during the year. The following table shows the teacher assignment, salaries and present enrollment in each school:

Teacher	School	Salary	Enrollment
Ethel Croteau	Village	\$850.00	30
Eunice L. Hunt	Lily Pond	850.00	23
Ethel Fish	Intervale	850.00	26

The total enrollment at the present time is seventy-nine. This is twelve more than what it was a year ago. In the Laconia Public Schools there are enrolled seventy Gilford children, twenty-five in grades one to six, seventeen

in the Junior High School, and twenty-eight in the Senior High School.

FINANCES

The table below contains the budget adopted a year ago for this current school year and the proposed budget for the school year 1938-39, conveniently arranged for comparison:

At the close of this current year there should be a balance in the treasury of not less than \$500.00.

CONSOLIDATION

The last school meeting voted to construct and equip a central school at Gilford Village, provided a grant could be obtained from the Federal Government to aid in financing the cost of construction and equipment. A committee was appointed to act jointly with the School Board in the selection of a lot, and in executing necessary contracts and agreements for the construction of the building. A bond issue not to exceed \$10,000.00 was authorized, and the School Board was instructed to make application to the Federal Emergency Administration of Public Works for a grant to be applied to aid in financing the cost of construction and equipment.

A lot was selected and purchased. The School Board promptly made application for the grant, furnished all necessary records and documents, and met satisfactorily all requirements. The application was approved and the grant recommended by the Regional Director of the Federal Emergency Administration of Public Works. A special government investigator reported favorably on the proposed project as one covering a real need. Final favorable action on the application, however, was never received from Washington. An inquiry from the School Board brought the information from Secretary Ickes' office that no more P. W. A. grants would be made.

That there is urgent need for improved housing conditions for our local schools is apparent to all who have really investigated the situation. A consolidated or central school is the reasonable solution of the problem. Wherever consolidation of schools has taken place the results have been highly satisfactory. Gilford should have a building centrally located and large enough to meet any reasonable expectations for the future. Gilford is well able to carry through such a project without any outside financial assistance. Forward looking as this community

is in many respects it will not choose to lag in the all important matter of schools.

It is with grateful appreciation of the cooperation and help of the School Board, teachers, pupils and other citizens that this report is respectfully submitted.

CHANNING T. SANBORN,
Superintendent of Schools.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Gilford qualified to vote in district affairs:

You are hereby notified to meet in the Town Hall in said district on Saturday, March 12, 1938, at 2 P. M., to act on the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Member of the School Board to serve for three years.
5. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
6. To hear the reports of auditors or of any committees heretofore chosen and pass any vote relating thereto.
7. To determine and appoint the salaries of the school board and other district officers.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to construct a central school building at Gilford Village for the accommodation of all the schools of the district, and provide all necessary equipment.

10. To see if the district will choose a Building Committee, to consist of the School Board and three other citizens, and will authorize said building committee to execute any and all contracts or agreements necessary, proper or advisable in connection with the construction of the proposed school building, and the purchase of the necessary equipment for the same.

11. To see if the district will vote to raise and appropriate a sum not to exceed Twenty-Thousand Dollars (\$20,000.00), and, in order to furnish such funds, to authorize the School Board to issue bonds for said amount payable exclusively from funds to be raised by taxation, for the purpose of financing the cost of the construction of said building, the purchase of necessary equipment, and all other expenses necessary or incidental thereto.

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Gilford, this tenth day of February, 1938.

PHILIP E. VINCENT,
MURIEL R. HARRIS,
WINNIFRED H. VARNEY,
School Board.
